

Deluxe Vanilla starts with high quality, organic, sustainably farmed vanilla beans from Uganda, the "Pearl of Africa". Our small batch, slow-cold extraction process creates a complex, naturally rich and aromatic vanilla. Our product is finished in American oak to develop a smooth and well balanced finish. A trusted favorite of pastry professionals who appreciate consistent quality at an affordable price.

Pure Vanilla Extract

Classic, flavorful and 100% natural; one tablespoon is equal to one vanilla bean. Cream with butter when baking cakes or add at the end when preparing savory sauces.

Ingredients: natural vanilla bean extractives in water, alcohol (35%), cane sugar.
